SIKA TRAINING DAY AT THE MAKEOVER CENTRE, CARDIFF

Cardiff Makeover Centre opened its doors today to the first 'Sikafloor Academy' customer training day.

Sika Limited who distributes a wide range of elastic adhesives and accessories offer a complete wood floor bonding system to the wood flooring industry.

Open to new and existing customers, the day brought a selection of trade customers to the site. A presentation by Sika's Key Account Manager, Mick Hooper was followed by a demonstration on the correct method of installing Sika adhesives onto the 'Tuscan' brand of solid wood flooring.

Martin Reynolds, Branch Manager at the Cardiff Makeover Centre said "I am delighted with the response from our customer base and their attendance. It re-enforces our presence and development we are having in the area."

Similar training sessions will be conducted throughout this year at the other Makeover Centre locations.
